

Pre-program

17th Congress on SOMATIC CARE and PAIN in MENTAL HEALTH

anp3sm

National Association for the
Promotion of Somatic Care in
Mental Health

@anp3sm

anp3sm

anp3sm

2019 From June 17th to 19th
at the Corum/Montpellier

For 17 years, Anp3sm has been training and mobilizing professionals in order to reduce the stigma and inequality of care that people with severe mental health suffer from. The resulting loss of access to global care is huge. Each year, we share our experiences, in France and all over the world, to help the emergence of innovative and efficient new perspectives .
